## 2010 ULA Registration

The Tully Youth Lacrosse Association (TYLA) offers a summer youth lacrosse program in conjunction with the Upstate Lacrosse Association (ULA). The league is classified as an instructional league and as such provides an excellent opportunity for players to learn and develop their lacrosse skills. The league runs from the beginning of May until the end of July.

Registration has started. We will have one date for people to sign-up in person. You may have received the forms in the mail. If so, you may return them with a check and a copy of the child's **REPORT CARD** or drop off at registration day. Please return the forms so we have them no later than March 27th.

Sign-ups (Bring a copy of your Report Card)		
Saturday March 20th	9am – Noon	Tully Town Hall
<b>Mailing</b>	<b>Print out the forms.</b>	<b>Mail them in.</b>

Due to the great success and growth the program has experienced we *may need to form a second team* in a particular age group to ensure a good experience for all players....**REGISTER NOW!**

The TYLA has some equipment to loan to the players during the season and is provided on a need/first registration basis. Anyone who wants to use their own equipment is encouraged to do so. There are usually some excellent sales on equipment prior to the start of the season. Graph-Tex in Cortland, Dick's and Lacrosse Unlimited in Dewitt are good sources. The table below outlines what the players are responsible for providing. Coaches will contact players with the exact start date in May for their teams.

*\*The Little Sticks program is not affiliated with the ULA League. It is run by the TYLA to teach the fundamental of lacrosse and sportsmanship and to have FUN. The coaches schedule their own games with the other towns that have similar programs. A coach or parent referees the game and results in a lower cost for the season.*
